

You do the writing,

we do the rest.

"You do the writing,  
we do the rest."

This slogan denotes the "complete production service" Allen-Wayne has offered its clients for over fifteen years. Our facilities include art, typing, visual aids and printing. This adds up to many advantages for you... overall quality control... lower costs... less handling... shorter deadlines.

---

## Art

Our art department can handle anything from a simple schematic to an artist's conception.

## Typing

Technical typists and a complete selection of IBM typefaces are available to you.

## Printing

Short run printing is our business. Both in Film and Direct Plate printing, you will find quality and economy.

## Visual Aids

For your presentations, complete slide making equipment to handle all your requirements.
